IMPORTANT—SHIPPING INSTRUCTIONS—PLEASE READ BEFORE ORDERING!

If you are within the delivery service of the Railway Express Co. in your area, we recommend shipment by Railway Express, shipping charges collect. However, we realize much in transportation charges can be saved if the order goes forward by Parcel Post. Non-perishable material can be sent by ordinary Parcel Post, insured, but to guarantee safe arrival, all perishable material should be shipped by Parcel Post, Special Delivery and Insured. We cannot estimate these postal charges WHICH MUST BE PREPAID. We request, therefore, that the customer, for Parcel Post shipments, add 25% to the value of his order for such charges.

IMPORTANT! PLEASE CHECK ONE OF THE FOLLOWING

- ☐ Please send my order RAILWAY EXPRESS, (transportation charges collect.)
- ☐ Please send my order PARCEL POST. I am enclosing 25% of the cost of my order to cover postage, with the understanding that you will credit me with the excess postage, and I will reimburse you if the 25% does not cover the postage.

Orders of Fish or Tadpoles and Salamanders, (anything that has to be shipped in cans of water) must be shipped by Railway Express. Please read footnote below on Pool Scavengers and Pool Fish concerning money for can to ship these items in.

**HOW AND WHEN WE SHIP:** All the items listed on this sheet are shipped during planting time only (see catalog, page 2, WHEN TO PLANT), with the exception of fishfood, pool paint and Arquicide.

**MINIMUM MAIL ORDER:** The smallest order accepted through the mail is \$2.00. This applies to the entire price list.

**WE GUARANTEE** all plants to be true to name, and we will replace free of charge any plant that fails to grow within 30 days after planting and you notify us during that period of time—the customer shall pay only for transportation charges. The aforesaid applies to annual lilies only if we are allowed to ship after June 1.

**WE ARE NOT LIABLE** for any claims other than replacements nor are we liable for damage which occurs in transit. If a shipment from us is received in a damaged condition accept it and request a Bad Order Report (form 679) from the Express Agent. Fill out this report and send it to us, and we will replace the damaged goods as quickly as possible. It is absolutely necessary for us to have a properly filled out Bad Order Report if you wish a speedy replacement. On any replacements, the customer must pay the transportation charges. **PLEASE ORDER EARLY**, thereby making it possible for us to give you the best of service.

**PLEASE USE THIS ORDER SHEET:** We have prepared this order sheet especially for your convenience, and we would appreciate it if you do not use your own stationery except in the case of letter writing. Please use this order sheet only for making out orders; use a separate sheet for all remarks and correspondence. To make out an order simply fill in the quantity in front of the catalog number, total price in dollars and cents at the end of the line, and the total amount in dollars and cents on the line marked Total Amount of Order. For a description of each item refer to its corresponding number in the catalog.

Only items listed on this order sheet are available notwithstanding catalog.

This price list cancels all previous price lists.

**TERMS:** Cash with order. Please send Check, Express or Postal Money Order. We are unable to accept C.O.D. orders because of the perishable nature of aquatic plants in transit whereby possible delays in delivery will result in the loss of plants.

**STORE HOURS:** April 30th to July 15th—open Monday thru Sunday from 9:30 to 6:00. From July 16th to April 29th—open everyday (except Wed.) from 9:30 to 5:30.

**SUBSTITUTIONS:** Occasionally we become short on certain items. We reserve the right to substitute an equal or greater value as near as possible to items ordered, unless you request us otherwise.

All of the above items are shipped Express Collect.  
Past experience has shown us that for safe arrival we can ship about \$3.00 worth of Gold-  
fish in a 75c can during the months of April, May and June. This is for within a radius  
of 200 to 300 miles of New York City. Therefore, when ordering Goldfish, please include  
75c for each \$3.00 worth of Goldfish ordered. We do not recommend shipping Goldfish  
after June 30, as the weather becomes too warm for safe travelling.

For those of you who pick up your Goldfish at our place in Ardsley, kindly bring your  
own container to carry your fish home in. We have cans available for you to carry your  
fish home in, but require a deposit on them which is refunded, provided you return the  
can in good condition within one week.
